Sir:

We, Emil A. Tanagho, Rajvir Dahiya, Tom F. Lue, and Gerald R. Cunha, being duly warned that willful false statements and the like are punishable by fine or imprisonment or both (18 U.S.C. § 1001) and may jeopardize the validity of the patent application or any patent issuing thereon, hereby declare:

THAT we are the named and true inventors in the above-referenced patent application, and that we are co-inventors of the subject matter disclosed and claimed in said application, and the only inventors thereof;

Appl. No. 10/052,889

Declaration under 37 CFR 1.132

PATENT

THAT we are co-authors of M. Probst *et al.*, "Reproduction of functional smooth muscle tissue and partial bladder replacement," *British J. of Urology* 79, 505-515 (1997).

THAT to the extent that the subject matter disclosed and claimed in said application is also disclosed in said publication, we four are co-inventors and the only inventors of said subject matter; and

THAT the other co-authors of said publication, M. Probst and S. Carrier, were working under the supervision and direction of at least one of us with regard to the subject matter disclosed in said publication. Although M. Probst and S. Carrier co-authored the publication, they are not co-inventors of the subject matter described therein.

We further declare that all statements herein made of our own knowledge are true, and that all statements made on information or belief are believed to be true and correct.
